Community Recreation Centre Advertising Opportunities

We invite you to consider the variety of cost effective advertising opportunities available at the Deseronto Community Recreation Centre. The Recreation Centre hosts many recreation and social programs throughout the year including minor, junior 'C' and private league hockey programs; skating programs; group and private ice rentals; fitness programs; private, community and business functions. In addition, the facility is home to an ice pad with spectator seating, event/banquet facilities featuring a fully equipped kitchen & licensed bar, meeting room, ball diamond, tennis courts and fitness centre. Facility upgrades are attracting an ever growing demographic of new user groups and individuals to the facility; presenting a wide audience to market your product or service to.

We respectfully invite you to become part of the Deseronto Community Recreation Centre by taking advantage of our effective and affordable advertising opportunities. A variety of advertising options are available to promote your business/organization to a wide market of consumers and greatly enhance your community relations efforts.

Please take some time to review the advertising options included in this package. Additional advertising options will soon be available for other areas of the facility. If you are interested in an advertising option that is not provided in this package, please inquire about our custom advertising packages. It would be a pleasure to welcome you as a Deseronto Community Recreation Centre supporter for 2016 and beyond.

Thank you in advance for your consideration of this opportunity.

Sincerely,

Community Centre Staff

Advertising Selection Form

Community Centre Advertising Options

Board Sign Advertisement	Ad Size: 32"h x 96"w Annual Ad Fee: \$175.00 + one time ad production fee, see below
Wall Sign Advertisement	Ad Size: 48"h x 96"w Annual Ad Fee: \$125.00 + one time ad production fee, see below
Custom Advertising Packages	Custom advertising options are available upon request. Contact Recreation Centre Supervisor Andy Conger to discuss options.

Advertiser is responsible for the production & cost of manufacturing the advertising material. Advertisers have the option of using the recommended supplier or sign company of their choice.

Board Sign Specifications: Ads must be produced on Vinyl applied to Polystyrene Sheet HIPS .030 material with Lexan cover.

Wall Sign Specifications: Ads must be produced on Coroplast 4-10mm thickness. If using the recommended supplier, logo and desired ad text/images must be sent electronically to dvalentyne@deseronto.ca. Advertisers will receive a quote & proof for approval before ads are produced.
