

## TOWN OF DESERONTO SENIOR OF THE YEAR 2009

Each year the Ontario Ministry of Citizenship and Immigration gives each Ontario Municipality the opportunity to recognize a deserving resident with the “Senior of the Year” award. The Town of Deseronto Council selected Bev Boomhour as the 2009 award recipient. Bev is a very deserving recipient of this award. She donates her time and resources to a variety of community organizations and programs that greatly enhance our quality of life including the Public Library, The Cemetery Board, Helping Hands Food Bank, a variety of Town committees, and more. Mayor Norman Clark presented Bev with the award on June 27<sup>th</sup> at the library. Please join us in thanking and recognizing Bev for her past and ongoing contributions to our community.
