I hereby make application to the Town of Deseronto for a cut permit for the purpose of repairing or replacing of water, sewer, natural gas, telephone lines, etc. I have attached hereto a sketch, plan or survey in duplicate showing the location, specifications, and dimensions of the trench, excavations or other work to be undertaken.

I understand that a \$25.00 cut permit fee is payable with this application and also that a minimum security deposit in the amount of \$1,000.00 (cash or certified cheque) is payable before any cut may be undertaken to any portion of Town Property.

Complete repair must be made within 30 days of any cut and the repair must remain satisfactory for the period of one year from cut date.

If any form of default during 30 days or up until one year from cut date has to be repaired by the Town, such cost of repair will be deducted from the Security Deposit and any cost in excess of the Security Deposit will be charged directly to the contractor involved.

I have read Town of Deseronto By-Law Number 30-79 and agree to abide by the conditions thereof.
